CANE OVAL MIRROR SNOW

SGCCOM03
$1,090.00

Our Cane Mirrors are designed to complement all pieces in The Collection by Salvesen Graham; taking inspiration from a much loved historical design motif. Mary and Nicole wanted to design a mirror that was the perfectly balanced shape for a dressing room, downstairs cloakroom or that would look beautiful as a pair above twin sinks in a main bathroom.

Featuring a stylised shape that originally became popular in England in the 19th Century, our Cane Mirrors reference the design's history whilst a high gloss finish and carefully curated collection of jewel colours lends a playful twist.

Handcrafted by artisans, each mirror is hand made from mahogany wood and has a metal bracket fixture that ensures a secure hanging. This timeless design would look at home in both classical and contemporary interiors, designed with the Salvesen Graham sensitivity to the past and present to create a relevant addition to your interior, both now and in years to come.
