

CHENILLE WOVEN - BLUSH

SGWFABCNBL
$366.00

A soft, warm pink, our Chenille Blush brings an understated warmth to an interior. Once a familiar feature of 1970s and 1990s interiors, chenille is a fabric worth revisiting. Woven in a traditional, family-run mill from 100% cotton, it has a soft, dry handle and matt finish, making it a considered choice for upholstery and a lovely way to introduce colour and texture without overwhelming a scheme.

All the fabrics in our woven collection are made in the UK to the OEKO-TEX STeP standard, which certifies environmentally friendly and socially responsible production processes.
