

FLORAL TRAIL FABRIC MIDNIGHT

SGFABFTMI
$222.00

Featuring a complementary palette of pinks, greens and blues, our Floral Trail Fabric takes inspiration from an archive textile design; originally hand painted in France c1810-1820 for a fashion textile. Mary and Nicole wanted to create a floral fabric that was rooted in history but felt contemporary, due to the choice of colour and large scale.

Reimagining a historic pattern into a timeless print encapsulates the Salvesen Graham Future Heritage aesthetic. This timeless patten has been designed to complement all pieces in Salvesen Graham The Collection, allowing the individual to create a unique home with ease. Printed in England on soft and relaxed linen cotton, our fabric is the perfect backdrop to a playful, quintessentially British interior.
