

CANE SIDE TABLE SMALL SNOW

SGCASTSSN
$748.00

Our smaller Cane Side Tables was created due to demand following the popularity of our larger Cane Side Tables. With a slimmer shape, our tables fit neatly at the end of a sofa or chair with enough space for a lamp, and to place your book and coffee cup or glass of wine. The neater size is perfect for smaller spaces without compromising on practicality with the additional glass shelf.

Featuring a stylised shape that originally became popular in England in the 19th Century, our Cane Side Tables reference the design's history whilst a high gloss finish and carefully curated collection of jewel colours lends a playful twist.

Handcrafted by artisans each table is hand made from mahogany with solid brass castors and strong tempered glass shelves. This timeless design would look at home in both classical and contemporary interiors, designed with the Salvesen Graham sensitivity to the past and present to create a relevant addition to your interior, both now and in years to come.
