

# SCALLOP RUG NAVY

SGSRNAVS
From $4,230.00 - $11,760.00

We are delighted to have collaborated with renowned bespoke rug designer Jennifer Manners to create our Scallop rug; a flat woven rug with a twist.

Woven by artisans in India our rugs are crafted from recycled plastic that would otherwise find its way into the ocean or landfill. Woven using renewable energy sources, our rugs are a luxurious yet eco-conscious solution answering the need for hardwearing, stain-resistant and pilling-resistant rugs that are long lasting. The supple yarn has a matt appearance that is indistinguishable from wool, making this rug a great way to use a timeless design in a contemporary way.

We are honoured to receive the following awards for our Salvesen Graham x Jennifer Manners Rugs; ‘Best Sustainable Product’ at Decorex 2019 and The English Home Magazine’s ‘Editor’s Choice’.
