

# CHENILLE WOVEN - DARK CACTUS

SGWFABCNDC
$366.00

A deep, earthy green, our Chenille Dark Cactus brings richness and depth to an interior. With its roots in the 1970s and 1990s, chenille is a familiar upholstery fabric that deserves a fresh perspective. Woven in a traditional, family-run mill from 100% cotton, it has a soft, dry handle and matt finish, making it particularly well suited to upholstery, where it works beautifully alongside patterned fabrics and antique furniture.

All the fabrics in our woven collection are made in the UK to the OEKO-TEX STeP standard, which certifies environmentally friendly and socially responsible production processes.
