

DIAMOND TRELLIS WALLPAPER - SAND

SGWALLDITRSA
$355.00

Diamond Trellis in Sand is a subtle tonal design that works beautifully as a background wallpaper. The soft sand colour is warm with gentle earthy undertones, creating a calm and inviting atmosphere. Its understated pattern adds quiet structure without overpowering a space, making it particularly well suited to hallways, staircases and bedrooms where a refined backdrop is desired.

Reimagining a historic pattern into a timeless print encapsulates the Salvesen Graham Future Heritage aesthetic. This timeless patten has been designed to complement all pieces The Collection by Salvesen Graham, allowing the individual to create a unique home with ease. Printed in England on luxuriously thick paper, our wallpaper is the perfect backdrop to a playful, quintessentially British interior.
