## EDIT58 X SALVESEN GRAHAM XL CUSHION ROSE & RASPBERRY

SGCUEdit-1  
\$350.00

We have collaborated with discerning curator of interiors edit58 to create our wonderfully playful XL Cushions.

Designed with a quintessentially British eye, our Mini Cushions use our wonderfully soft and slubby linen Little Check Fabric that is woven in Belgium and printed in England. The reversible design ensures versatility whilst the contrasting ruffle edge lends a whimsical touch, with a nod to historical and traditional interior schemes. Made in our family run production house in London, our deliberately playful scale delivers a contemporary flair that will feel stylish now and in years to come.
