
FLORAL SPRIG BORDER RASPBERRY

SGWBDFSRA
$216.00

Designed to complement our wallpaper collection or to be used alone, it was important to Mary and Nicole that the borders were above all else, versatile and playful.

Our Floral Sprig Border takes inspiration from an archive textile design; originally hand painted in France c1810-1820 for a fashion textile. Our borders can be used around door and window frames and other architectural details, or to create extra interest. Mary and Nicole like to use this border with its charming design around a doorway for an inviting entrance.

Reimagining a historic pattern into a timeless print encapsulates the Salvesen Graham Future Heritage aesthetic. This patten has been designed to compliment all pieces in The Collection by Salvesen Graha, allowing the individual to create a unique home with ease. Printed in England on luxuriously thick paper, our borders are the perfect backdrop to a quintessentially British interior.
