

FLORAL TRAIL BOLSTER CUSHION DELICATE

SGCUFTBD
$280.00

Featuring a complementary palette of pinks, greens and blues, our Floral Trail Fabric takes inspiration from an archive textile design; originally hand painted in France c1810-1820 for a fashion textile. Mary and Nicole wanted to create a floral fabric that was rooted in history but felt contemporary, due to the choice of colour and large scale.

Handmade in England from our Floral Trail Fabric, we finished our cushions with a piped edge and generous feather fill for comfort, using high quality sustainably sourced feathers.

Mary and Nicole designed our bolster cushions for spaces where they found an alternative to a square or rectangle cushion was most suitable, on double or twin beds, window seats and sofas.

Floral Trail is a timeless patten has been designed to complement all pieces in The Collection by Salvesen Graham and is also available to purchase by the metre.
