FLORAL TRAIL BORDER NARROW ORIGINAL

SGWBDFTNO
$234.00

Designed to complement our wallpaper collection or to be used alone, it was important to Mary and Nicole that the borders were above all else, versatile and playful.

Our borders can be used around door and window frames and other architectural details, or to create extra interest. Co-ordinating with our Floral Trail wallpaper, it was inspired by a textile first designed hundreds of year ago. Mary and Nicole like to use this border with its versatile width as an elegant solution to a room.

Reimagining a historic pattern into a timeless print encapsulates the Salvesen Graham Future Heritage aesthetic. This patten has been designed to compliment all pieces in Salvesen Graham The Collection, allowing the individual to create a unique home with ease. Printed in England on luxuriously thick paper, our borders are the perfect backdrop to a quintessentially British interior.
