

GREAT CHECK SHADE MUSTARD

SGSHD18MU
$424.00

The fun big sister of our Little Check Shade, our Great Check Shade lends a deliciously contemporary aesthetic when paired with any larger of oversized lamp bases.

Handmade in London with top and bottom rolled edges, a white interior and empire shape, our shades are crafted from our Great Check linen fabric that is woven in Belgium and printed in England, the soft and slubby nature lends a relaxed and tactile finish to your home. Mary and Nicole designed the shades to be playful and fresh, just the piece they were searching for when using oversized bases in interior schemes.

Mary and Nicole were originally inspired by their Interior Design projects in the US, where scale is much more oversized and they were excited to incorporate it into their own collection. With a rich history and timeless appeal our Check encapsulates the Salvesen Graham Future Heritage aesthetic.
