

GREEK CANE RUG RASPBERRY

SGJMGRKCRRA1
$4,230.00 - $11,760.00

Our Greek Cane Collection is a continuation of Mary and Nicole's love of classical design echoed in the Greek key border and cane motif detailing. Inspired by the success of the Scallop, Mary and Nicole were focused on creating another 'border rug' where the emphasis is on the edge of the rug which is so often the most visible part, with the centre often being covered with furniture. Greek Cane is sophisticated and timeless, at home in any interior. In ancient Greek culture, the key pattern was used as a symbol of unity and friendship – a fitting theme for the third collaboration from Salvesen Graham X Jennifer Manners.

Woven by artisans in India our rugs are crafted from recycled plastic that would otherwise find its way into the ocean or landfill. Woven using renewable energy sources, our rugs are a luxurious yet eco-conscious solution answering the need for hardwearing, stain-resistant and pilling-resistant rugs that are long lasting. The supple yarn has a matt appearance that is indistinguishable from wool, making this rug a great way to use a timeless design in a contemporary way.

We are honoured to receive the following

awards for our Salvesen Graham x Jennifer Manners Rugs; ‘Best Sustainable Product’ at Decorex 2019 and The English Home Magazine’s ‘Editor’s Choice’.
