$152.00

The baby sister of our Little Check Shades, our Little Check Mini Shades in adorable small lamp size are the delightfully playful finishing touch to your wall lights and chandeliers.

Handmade in London with top and bottom rolled edges and a white interior and empire shape, simply slip the shades onto your small lamps, wall lights and chandeliers. Our shades are crafted from our Little Check linen fabric that is woven in Belgium and printed in England, the soft and slubby nature lends a relaxed and tactile finish to your interior. Mary and Nicole designed the shades with bedrooms and bathrooms in mind, perfect for beside a vanity or to create soft, diffused lighting.

The check is a wonderfully versatile pattern that is at home in an English country house as it is a coastal cottage or town house. With a rich history and timeless appeal our Check encapsulates the Salvesen Graham Future Heritage aesthetic. This timeless patten has been included to complement all pieces in Salvesen Graham The Collection, allowing the individual to create a unique home with ease.
