FLORAL SPRIG CUSHION RECTANGLE MEADOW

SGCUFSRM
$304.00

Our Floral Sprig Fabric takes inspiration from an archive textile design; originally hand painted in France c1810-1820 for a fashion textile.

Faced and backed in Floral Sprig, we finished our cushions with a ruffle edge to lend a playful touch with a nod to historical and traditional interior schemes. The feather fill is generous for comfort and uses high quality sustainably sourced feathers.

Mary and Nicole designed our Floral Sprig cushion to be a very versatile shape, that works equally well on a bed, sofa or chair, and to be layered with larger cushions behind or smaller cushions in front as suits the space.

Our cushions are handmade in England using our Floral Sprig Fabric, a timeless patten has been designed to complement all pieces in The Collection by Salvesen Graham, that is also available to purchase by the metre.
