When seeking inspiration from textile design archives, Nicole and Mary were thrilled to discover a design that felt so contemporary despite having been first designed hundreds of years ago.

The reimagining of a historical design into a contemporary print perfectly encapsulates the Salvesen Graham style. This timeless patten has been designed to complement all pieces in The Collection by Salvesen Graham, allowing the individual to create a unique home with ease. Printed in England on soft and relaxed linen cotton, our fabric is the perfect backdrop to a playful, quintessentially British interior.
