

SALVESEN GRAHAM FIRESIDE STOOL

SGDSFSS
From $2,000.00

Taking inspiration from the simplicity of Georgian design, our Salvesen Graham Fireside Stool features elegant proportions with a sensitivity to design history.

Our Fireside Stool is designed by Mary and Nicole to be used in two ways; to rest an arm whilst perching by a roaring fire or more traditionally with the arm acting as a lower back. This piece is the all important extra seat in the room that every interior needs.

Made by craftspeople in England, each Fireside Stool is made to order in a choice of Salvesen Graham fabrics or customers own material, skirts lengths or an elegant piped edge, and a curation of leg paint colours and timeless wood finishes to coordinate with our Salvesen Graham fabrics.

We use a solid beech frame for strength and durability and a feather filled seat cushion for optimum comfort. Tapered legs creates a beautiful shape to the stool, ensuring versatility allowing it to suit both a living space or bedroom situation. Our Salvesen Graham Fireside Stool is designed to be classical and timeless so that it can be enjoyed for many years to come.
