

SALVESEN GRAHAM SOFA

SGDSSF
From $6,392.00

Taking inspiration from the simplicity of Georgian design, our Salvesen Graham Sofa features elegant proportions with a sensitivity to design history.

Our Salvesen Graham Sofa is ideal for a smaller drawing room in a town house and a larger bedroom in the country due to the shallow design. The slim arms ensure that it retains the elegant proportions of Georgian furniture that Mary and Nicole love. The chameleon of the range, it looks sleek and contemporary in a simple print, or charming and old fashioned in a chintz.

Made by craftspeople in England, each sofa is made to order in a choice of Salvesen Graham fabrics or customers own material, skirts lengths or an elegant piped edge, and a curation of leg paint colours and timeless wood finishes to coordinate with our Salvesen Graham fabrics.

We use a solid beech frame for strength and durability and a feather filled seat cushion for optimum comfort. Slim rounded arms and tapered legs creates a beautiful shape to the sofa, ensuring versatility allowing it to suit both a living space or bedroom situation. Our Salvesen Graham Sofa is designed to be classic

l and timeless so that it can be enjoyed for many years to come.
