When seeking inspiration from textile design archives, Nicole and Mary were thrilled to discover a design that felt so contemporary despite having been first designed hundreds of years ago.

Handmade in England our shades are crafted from our Zig Zag Stripe fabric that is printed in England on soft linen cotton, the relaxed nature of the fabric lends a tactile finish to your home.

Mary and Nicole designed the shades to be playful and fresh, ideal for complementing our coordinating fabric, wallpaper, cushions and eiderdowns or mixed with other prints in The Collection.
